- A translation of [Lil Silver et l'App de Rencontres Superlove](#) by [MiaQc](#)

Silver is streaming to earn money, as requested by her owner, then she looks up and stares straight ahead. She says to the player: "Wow! I found a dating app! Superlove... I'll check it out later, okay? Don't be jealous!" With that, Silver goes back to work.

Hours later, Silver asks her owner to do something fun. The player asks her to play some PC games. Silver does so and takes the opportunity to visit Superlove.

"Hi!" Suddenly said a male voice from her computer screen.

"Oh, hello? I'm Silver but sometimes they call me Lil Silver."

"Silver, huh? That's so cute. I'm Superlove, the best dating app around!"

"Your outfit is so adorable!"

"Thanks. Your wolf girl costume is awesome!"

"That's not a costume. I'm a wolf girl."

They continue talking then Lil Silver feels tired. She says goodbye to Superlove and waits for the player to ask her to go to sleep. When they do so, Silver smiles. Lil Silver's eyes shine with happiness.
